

2021 J. Cage Russian River Pinot Noir

Sonoma County

Founded in 2014, Roger & Donna Beery along with their children, Conch and Whitney set upon a calling for their rich family history, mutual respect for honesty and integrity in winemaking. Along with consulting winemaker Adam Lee, J. Cage Cellars honors two generations with one passion. Their philosophy is traditional and non-interventionist and they believe winemaking begins in the vineyard, while sourcing from small family growers that are some of the most respected in Sonoma County.

J. Cage Cellars Russian River Valley Pinot Noir offers the best of RRV flavor profiles. 100% Pinot Noir blended from two of the finest vineyards in the Russian River Valley of Sonoma County.

Rich in style with plenty of fruit and an expressive nose. Beautifully deep flavors of red and blue fruit, soft on the palate with an delicious dark chocolate finish.
