

## 2019 J. Cage Cuvée 42 Pinot Noir

### Sonoma County

**Cuvée '42** pays homage to our patriarch, J. Frank Cage, and his lasting legacy. In 1942, J. Cage designed and built the beautiful art deco styled Lamar Blvd. Bridge over Lady Bird Lake leading into downtown Austin, Texas. Austin has designated the bridge an Austin Landmark and it is a Registered Historic Place. The bridge's six art deco spandrels reflect in perfect symmetry upon the waters of Lady Bird Lake.

Cuvée '42 Pinot Noir demonstrates the same balance and artistry upon your palate. 100% Pinot Noir blended from four of the finest vineyards in Sonoma County. A beautiful expression of Sonoma County representing the Russian River Valley, Sonoma Mountain and the Petaluma Gap.

Rich in style with plenty of fruit and an expressive nose. Beautifully deep flavors of red and blue fruit, soft on the palate with an delicious dark chocolate finish with a hint of spice.

- **PinotFile** **92 Points**
- **James Suckling** **90 Points**
- **Wine Enthusiast** **90 Points**
- **Restaurant Wine** **4 ½ Stars - "An excellent Pinot"**
